

RoHS Compliant

The following information is not a certification, merely a statement describing information obtained from the producer. Only the manufacturer is able to certify their product in accordance with environmental laws.

Environmental laws restrict the use of certain hazardous substances. "RoHS compliant" relates to the laws transposed from the European Union Directive 2011/65/EU, known as the RoHS Directive.

The RoHS compliance of any product so designated is based upon evidence from the producer (manufacturer) that the part number is in compliance with the RoHS Directive. Mouser Electronics has taken all reasonable steps to confirm producers' statements and other evidence regarding the absence of the restricted substances to support the manufacturers' claim of compliance.

To the best of our knowledge the below referenced part is RoHS compliant according to the producer's documentation.

Date: 26/06/2020

Mouser Part No: 870-IS42S81600F-7TL

Mfr.'s Part No: IS42S81600F-7TL

Mfr.: ISSI

Description: DRAM 128M 16Mx8 143Mhz SDR SDRAM, 3.3V

This information is valid when RoHS Compliance is indicated on your packing list from Mouser Electronics, Inc.
